**Home Health Resources Ranked Among the top 25 Percent of Home Health Providers in the Country**

**Houston, TX, 1/27/2009-** Home Health Resources today announced that it has been named to the 2008 HomeCare Elite, a compilation of the most successful Medicare-certified home health providers in the United States. This annual review identifies the top 25 percent of agencies, ranked by an analysis of performance measures in quality outcomes, quality improvement and financial performance. This is the third year in a row that **Home Health Resources** has achieved this ranking.

The 2008 HomeCare Elite also indicates those providers who are included in the Top 100 and top 500 of providers nationwide. The data used for this analysis was compiled from publicly available information.

"The 2008 HomeCare Elite winners exemplify a commitment to providing their patients with optimum care while performing at the highest level," said Nancy Buller, Senior Director of Marketing Communications at OCS, Inc. "We congratulate **Home Health Resources** on being one of the Top home care agencies in the country."

**Home Health Resources, Susan Smith, RN, Administrator**, credits an entire staff with a focused commitment to patient care and superior outcomes as the contributors to the company's ability to rank again as one of the HomeCare Elite. "We are so pleased to have such a wonderful staff of dedicated, hard-working individuals, many that have been with our agency since we opened our doors almost 13 years ago. They are the true success of Home Health Resources, and we applaud them for this great accomplishment," she said.

"DecisionHealth would like to congratulate the top HomeCare elite agencies that achieved excellent clinical and financial outcomes by providing quality care to their patients," adds Marci Heydt, Executive Editor of DecisionHealth's *Home Health Line*.

The 2008 HomeCare Elite is the only performance recognition of its kind in the home health industry. The 2008 HomeCare Elite is brought to the industry by OCS, Inc., the leading provider of healthcare informatics, and DecisionHealth, publisher of home care's most respected independent newsletter...[home health line](#).
